## Championship Series

## GENERAL INFORMATION:

- Registration opens at the Great Blue Heron Charity Casino (GBH) January 1, at 12:00am of each year.
- Each tournament will hold a maximum of 110 players. Walk-ins on tournament day are welcome.
- No-Limit Points Tournaments will be held on the second Wednesday of every month.
- To qualify for the December Free Roll Championship, you must be a member of the Rapid Rewards Players Club and participate in a minimum of 6 monthly Holdem tournaments.
- Ladies tournaments will not qualify towards points, but will earn credit as one tournament played.
- Cash prizes for each monthly tournament will be based on the number of participants. The field size and total monies (less 5% hold back) collected will determine the total payout. Typically the top 10% at each tournament get paid. The payment structure is defined by the casino's default structure. At each tournament we will use a points system and track those points throughout the year. A player could finish just out of the money in every tournament and theoretically be our points champion at the end of the year.
- At the end of the year we will be hosting a year end free roll tournament for the top 50 point leaders. These players will be playing for a prize board made up of the 5% hold back from each of our monthly tournaments held at the GBH. We will be posting the accumulated prize board with a list of the top 50 players after each tournament.
- If you would like to join the Rapid Rewards Players Club, visit the Players Club centre to receive your membership card. You will require this card for identification purposes when signing out of the tournament.
- These rules are subject to change without notice.

## POINTS

**Q.** Who is eligible to receive points?

**A.** Only registered Rapid Rewards Players Club (RRPC) members are eligible to receive points.

**Q.** How do I receive my points?

**A.** Points will be awarded to every RRPC member who participates in a qualifying poker tournament event, upon tournament elimination. As players are eliminated from the tournament they receive points based on their elimination place. Each month these points are added to their points earned from previous events, to calculate the standings for each player.

**Q.** What are these points used for?

**A.** The accumulated points will determine who is eligible to participate in the King of Cards Championship tournament in December. Only the top 50 points leaders will be invited to participate.

## POINT CALCULATIONS

We use a simple geometric formula to calculate the points so that the players that survive the larger fields are justly rewarded. For example, if you are the first player out in a tournament you receive 1 point. If you are second out you receive 3 points (1+2), if you are third out you receive 6 points (1+2+3), etc. If you are knocked out in 55th place you earn 1,596 points and if you are knocked out in 99th place you earn 78 points. If you fail to sign out, you will receive only 1 point. Each player is responsible for signing out.

### \*IMPORTANT\*

Club Members are guaranteed to earn points once they pay their entry fee into any of our club qualifying monthly tournaments. However, if you do not sign out or the statistician cannot read your writing, you will receive 1 point and everyone else moves up the list. PRINT YOUR NAME CLEARLY AND NEATLY when signing out.

Players caught purposely delaying their sign out with the intent to move up the list will be disqualified from earning their tournament points and will receive 0 points at this tournament. A second occurrence will result in disqualification from the entire season. If you suspect abuse from other players, please contact one of the Poker Room Staff **immediately.**

**NOTE: It will be the responsibility of the Member to sign out with tournament staff upon elimination, in order to receive their correct number of points. Failure to do so will result in only 1 point being accumulated.**

### What does the points champion receive?

At the end of the season, the King of the Cards" points champion will receive a \$1000 cash prize, plus an invitation into December's Championship Tournament. In the event of a tie for the first place point leader, the cash prize will be split evenly.

### Who is eligible for December's Championship Tournament?

The Top 50 point leaders will receive an entry into the King of the Cards December Championship. The Championship is a free roll event and ONLY the top 50 point leaders are invited. Your points will determine your rank, and your rank will determine your starting chip stack. The points champion will start with \$6,000 in chips, while #50 will start with \$4,000 in chips. The prize pool will be finalized after the final cash tournament is complete. It is estimated that the FREE Championship prize board will total \$30,000 in cash and/or prizes, with the top 5 places being paid.
